Introducing 1/48 Springfield Rd, a boutique architectural designed home in the heart of Blackburn and located within walking distance to NewHope Baptist Church.

An exceptionally constructed, energy efficient, sustainable, north facing smart home with double glazed windows and doors sitting among convenient shopping villages, highly regarded local schools & early education centres and with easy access to public transport and roads.

Permeating class and luxury from beginning to end, incredible attention to detail is complimented by timeless contemporary finishes, style and sophistication, open plan Living, Dining & Kitchen, soaring high ceilings, multi zone climate control, acoustic & superior soundproofing, generous bedrooms & storage and magazine worthy bathrooms across two expansive levels.

A five-star exquisite Kitchen (including stone benches, quality appliances and Butler's pantry) really forms the centrepiece of this second to none design, that also includes a large outdoor entertaining deck, beautifully landscaped gardens (including garden lighting), exposed aggregate driveway, full smart home integration....Plus so much more!
